United States of America

vs

Jonathan Bishop

Case No. 2:20CR0051-WFN

CONSENT TO MODIFY CONDITIONS OF RELEASE

I, Jonathan Bishop, have discussed with Emely Cubias, Pretrial Services/Probation Officer, modification of my release as follows:

Mr. Bishop is currently under global positioning systems (GPS) monitoring and is subject to home detention. He has been in compliance of this program since his release on June 24, 2020. Based on the length of time and compliance with program rules, this officer respectfully requests Mr. Bishop remain a participant of GPS monitoring, however removing the home detention component adding the curfew conditions as follows:

Curfew: The defendant shall be restricted to his residence every day from 9pm to 9am, unless pre-approved by U.S. Probation/Pretrial Services for court, employment, medical, religious and treatment services only.

The U.S. Attorney's Office has no objections to this modification request.

I consent to this modification of my release conditions and agree to abide by this modification.
